Are teenage dreams so hard to beat?
Everytime she walks down the street
Another girl in the neighbourhood
Wish she was mine, she looks so good

I wanna hold you, wanna hold you tight
Get teenage kicks right through the night
Alright

I'm gonna call her on the telephone
Invite her over cos I'm all alone
I need excitement and I need it bad
And it's the best I've ever had

I wanna hold you, wanna hold you tight
Get teenage kicks right through the night
Alright

I wanna hold you, wanna hold you tight
Get teenage kicks right through the night
Alright

Are teenage dreams so hard to beat?
Everytime she walks down the street
Another girl in the neighbourhood
Wish she was mine, she looks so good

I wanna hold you, wanna hold you tight
Get teenage kicks right through the night
Alright

I'm gonna call her on the telephone
Invite her over cos I'm all alone
I need excitement and I need it bad
And it's the best I've ever had

I wanna hold you, wanna hold you tight
Get teenage kicks right through the night
Alright

I wanna hold you, wanna hold you tight
Get teenage kicks right through the night
