I've never kissed a girl before
Too shy to go outside the door
Ah who cares what right
I want to know what they're doing to night

Can't - listen to the way girls talk
Can't - listen to the way girls talk
Can't - listen to the way girls talk
Talk
Have you seen the way she looks at him
I don't believe the state they're in
Ah we don't have time
To fun of what we can fight

Can't...

The boys said shout
The boys said shout
The boys said shout
The boys said shout

I hear she's going steady is she alright?
I see she's got some other date tonight
Ah who cares what wrong
We always seem to hurt someone

Can't...
