Tuff ghost, tuff crowd, tuff love
Sit down [X3]
[X2]

Say something now
[X2]

The tuff ghost disappears for 3 days
The tuff ghost is set in his ways
I don't want to hurt you

[GHOST]
Well you can't, 'cuz i'm already dead

The tuff ghost is invincible
No guts came out when he bled

[GHOST]
Well i lift weights, but i don't sweat.
I go for a swim, but i don't get wet
I don't care about anyone else
I'm a strong dead man, looking out for himself

I think you're suffering, that's why you're so mean
You're already dead
I can't see right through you [X8]
