OH

The innocence of violence from your hands  
Brings out the best of what you don't have to offer  
A bleeding heart left on the floor  
The result of a monster  
A brutal attack  
Strategy has control  
Your victim is lifeless  
Left clinging to their last moment.

Stay away from me  
I need my sanctuary  
I need my sanctuary  
I can't have it when you're around  
Stay away from me  
I need my sanctuary  
I need my sanctuary  
I can't have it when you're around

OH, OH, OH, OH, OH, OH, OH, OH, OHHHHHHH

I planned it all out  
A simple scene of letters  
Spelling out what I was trying to say

Stay away from me  
I need my sanctuary  
I need my sanctuary  
I can't have it when you're around  
Stay away from me  
I need my sanctuary  
I need my sanctuary  
I can't have it when you're around

I'd do anything  
I'd do everything  
I'd do anything for you  
(For you)

Stay away from me  
I need my sanctuary  
I need my sanctuary

I can't have it when you're around  
Stay away from me  
I need my sanctuary  
I need my sanctuary  
I can't have it when you're around
