(Background)

I been lookin' for a love
I been lookin' for a love
I'm lookin' for a love
I'm lookin' for a love

Mmmm
Lookin' for a love
Lookin' for awhile
Well now
I'm lookin' here and there
And I'm searching everywhere
And I'm lookin'
I'm lookin'
I'm lookin'
I'm lookin' for a love to call my own
I'm lookin' for a love
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah

Well now
And I'm lookin' here and there
And I'm searching everywhere
And I'm lookin'
I'm lookin'
I'm lookin'
I'm lookin'
I'm lookin' for a love to call my own

Someone to get up in the morning
And rub my head
Listen
Someone to fix my breakfast
And bring it to my bed
Listen
Someone to do a load of housework
And back with me again
Well now
With lots of love and kisses
And people until then
I'll be lookin' for a love
I'm lookin' for a love
Well, well now

I'm lookin' here and there
And I'm searching everywhere
I'm lookin'
I'm lookin'
I'm lookin'
I'm lookin' for a love to call my own

Yes, someone to be in my corner
All the way
She'll be workin' till then
It don't matter what the people say
I'll give her my love
To soothe her all the time
I'll be glad to have her know
That she's mine, oh mine

But right now
I'm lookin' for a love
Let tell you
Lookin' for a love
Woo-oo
I'm lookin' here and there
And I'm searching everywhere
And I'm lookin'
I'm lookin'
I'm lookin'
I'm lookin' for a love to call my own
Well, I'm goin' lookin'
