The sun still shines but the moon declines
Our request for time it's lost tonight
I will break through but will I find you
I catch a spark at the thought of you
Gone today so don't leave me this way
I know you felt it all and can taste the pain

[Chorus]

You'll always be a shining star so bright
And one day time will pass you'll be alright

The bruises fade but memories are made
And I see your scars from afar
You can leave this town when no one's around
And run for miles, it's not your style
Gone today so don't leave me this way
I know you felt it all and can taste the pain

[Chorus]

So don't go away
'Cause I turn into the things I hate
So don't go away
'Cause I turn into the things I hate
So don't go away
'Cause I turn into the things I hate
Anna's leech...

[Chorus]
