What it is

Let's Go

Lemme get get get that chick

Lemme get get get that chick

Lemme get get get that chick

Get that chick

Get that chick [x2]

I think I gotta get your hair right

Loosen up you're so tight

Baby, come on

You got me lost inside your circus

You got me feeling nervous

Baby, come on

[Chorus:]

She says this

She means that

And she's not calling me back

I keep going in circles

Around and around

She gets hot

She gets cold

And when she puts us on hold

My whole world is caught up in this complicated girl

Lemme get get get that chick

Lemme get get get that chick

Lemme get get get that chick

Get that chick

Get that chick [x2]

Girl how you run this operation

I'm losing all my patience

Baby come on

The time is coming make your decision

Show me what I'm missing

Come on

[Chorus]

Complex Complex
I'm not your ex
Complicated, she's so complicated
Complex Complex
I'm not your ex
You're complicated to me

Lemme get you shorty
Your body
You can meet me in the lobby
Lemme get get get get get that chick
Lemme get get get get get that chick
Lemme get you shorty
Your body
You can meet me in the lobby
Lemme get get get get get that chick
Lemme get get get get get that chick

[Chorus x2]
