Yeah
Just can't get enough
Whoa oh oh
Just can't get enough

Girl look at me
I want to look into your eyes
I get this wierd feeling inside
It's kind of crazy cause
I ain't never had this kind of feeling in my life
And I can't even sleep sometimes
Wake up late at night with you on my mind
And I can't get you out no matter how I try
Cause maybe this is love

Maybe this is love
I feel it in your touch
I just can't get enough
Of you baby wait a minute
I'm saying maybe this is love
There's something between us
I just can't get enough
Of you baby wait a minute
I'm saying maybe this is love

There's something about your eyes, your hair, your
smile
Your drivin' me wild
Girl your so beautiful and your all mine
I'm the luckest man in the world
And your so picture perfect
You stole my heart girl it's just so worth it
And I can't get you out my mind
No matter how hard I try

Maybe this is love
I feel it in your touch
I just can't get enough
Of you baby wait a minute
I'm saying maybe this is love
There's something between us
I just can't get enough

Of you baby wait a minute
I'm saying maybe this is love

Maybe this could be
This could be yeah (maybe this is love)
Maybe this could be
This could be
Let me tell you girl
Maybe this could be
This could be (maybe this is love)
Maybe this could be
This could be

Maybe this is love (yeah)
I feel it in your touch
I just can't get enough (just can't get enough of you no)
Of you baby wait a minute
I'm saying maybe this is love (maybe this is love)
There's something between us
I just can't get enough (just can't get enough)
Of you baby wait a minute
I'm saying maybe this is love (oh)
Hey yeahhh

Wait a minute
I'm saying maybe this is love
Wait a minute (just can't get enough)
I'm saying maybe this is love (just can't get enough)
