

The Varsity "Why Not Me"

Visit "[Why Not Me](#)" on MotoLyrics.com

[Verse 1:]

Oh
Should I stay
Should I go
Should've asked
Don't wanna know,
Who are you thinking bout
Who are you thinking bout
Shouldn't kiss
Shouldn't tell
Shouldn't have without farewell, farwell with me
What were you thinking bout
What were you thinking bout

[Hook:]

What is it that keeps me
Hanging on to every word you say
What is it that keeps me holding on to you

[Chorus:]

Because you're stuck in my head
Like my favorite song
You put the scene on pause
It still plays on
It's chapter 3
It's hard to breathe
The words are slowly fading
Stop and go in lunch on a busy street
Bumper to bumper
This empty seat
Without you here, I get no where
I ask, "Why not me? "

[Verse 2:]

Could've been
Could've had
How could you do that and not look back
(Back, back oh)
Who were you thinking bout
Who were you thinking bout
You couldn't wait
And you couldn't breathe

You couldn't be sharing the same dreams as me
Who are you thinking bout
Who are you thinking bout

[Hook:]

What is it that keeps me
Hanging on to every word you say
What is it that keeps me holding on to you

[Chorus:]

Because you're stuck in my head
Like my favorite song
You put the scene on pause
It still plays on
It's chapter 3
It's hard to breathe
The words are slowly fading
Stop and go in lunch on a busy street
Bumper to bumper
This empty seat
Without you here, I get no where
I ask, "Why not me? "

[Bridge:]

I wouldn't lie
I wouldn't cheat on you
I wouldn't do all the things that you'd do
I wouldn't ever give your love away
So when you look in the mirror
As I pass you by
You see yourself
A lonely cry
Take a harder look and see what's left inside
Why not me
Eh oh ho yeah oh

[Chorus: x2]

Because you're stuck in my head
Like my favorite song
You put the scene on pause
It still plays on
It's chapter 3
It's hard to breathe
The words are slowly fading
Stop and go in lunch on a busy street
Bumper to bumper
This empty seat
Without you here, I get no where
I ask, "Why not me? "

Because you're stuck in my head

Like my favorite song
You put the scene on pause
It still plays on
It's chapter 3
It's hard to breathe
The words are slowly fading
Stop and go in lunch on a busy street
Bumper to bumper
This empty seat
Without you here, I get no where
I ask, "Why not me? "

Why not me
Why not me
Why not me
Why not me
