Ok oh oh ok  
Ok (yeah) oh oh ok

[Verse 1:]

I couldn't live without you, no  
Couldn't see myself without you  
But it's over now  
I'm lost when I'm without you, yeah  
My heart just doesn't beat the same  
I ain't got no one to blame

[Hook:]

And when I'm alone  
I tell myself  
I'll make it on my own

[Chorus:]

Like the lyrics of a sad song  
Mine was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can't find me  
I just wanna hear you say  
That you'll be ok  
You'll be ok  
Ok oh oh (hey) ok  
Ok (ok) oh oh ok

[Verse 2:]

If I could turn back to us  
Mmm oh  
Then maybe I could change the way I was  
Just to prove it to us  
I can be all the man you need  
And you're still the only woman for me

[Hook:]

And when I'm alone  
I tell myself  
I'll make it on my own

[Chorus:]

Like the lyrics of a sad song  
Mine was feeling so wrong  
If you could only hear the words I say  
(Hear the words I say)  
When your heart beats beside me  
Without you, I can't find me  
I just wanna hear you say  
(I just wanna hear you say)  
Yo  
That you'll be ok  
V, lemme in man  
Yeah  
Yo  
You'll be ok

[Rapping:]

Uh Yeah, I'm here to show  
Here to be okay  
She had left me so sick like Ne-Yo say  
Damn  
I'm a need a couple of minutes to bounce back  
Love is more important than the money I found then  
But it's too late  
Baby I know now  
When I saw you standing by the door  
Like go now  
So cold like a snow cloud  
So slow merry go round  
Here to hold cold now [? ]

[Hook:]

And when I'm alone  
I tell myself  
I'll make it on my own

[Chorus: x2]

Like the lyrics of a sad song  
Mine was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can't find me  
I just wanna hear you say

Like the lyrics of a sad song  
(You'll be ok)  
Mine was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can't find me  
I just wanna hear you say  
That you'll be ok

Oh no  
You'll be ok  
Ok oh oh ok  
Tell me you'll be ok  
Ok oh oh ok
