Was something missin'?
The walls were closing in and
I tried to face them (them them them)
I tried to face my fears

It didn't matter to me
One more morning's missing

'Cause I thought I'd never see it
I said I thought I'd never see sunlight
Because I thought I'd never see it
I said I thought I'd never see sunlight

As shadows close in
The sound of silence screamin'
Invisible nothin' (thin' thin' thin')
Invisible something's here

It didn't matter to me
One more morning's missing

'Cause I thought I'd never see it
I said I thought I'd never see sunlight
Because I thought I'd never see it
I said I thought I'd never see sunlight

I just prayed for
Light (sunlight)

It didn't matter to me

Because I thought I'd never see it
I said I thought I'd never see sunlight
Because I thought I'd never see it
I said I thought I'd never see sunlight

I said I thought I'd never see it
Sunlight (sunlight)
Sunlight (sunlight)
Sunlight (light)

I thought I'd never see it
I thought I'd never see sunlight (light)
