Swing, swing
Up and down
Turn turn turn around
Ground round and roundabout
And over again.
Gun, gun, son of a gun
You are the only one
And no one else
Will take my place.
(chorus: Frances)
The sun shines in my bedroom when you play
And the raining always starts when you go away.
The sun shines in my bedroom when you play
And the raining always starts when you go away.
(Eugene)
Swing, swing
Up and down
Turn turn turn around
Ground round and roundabout
And over again.
Gun, gun, son of a gun
You are the only one
And no one else
Will take my place.
(repeat chorus: Frances)
(instrumental)
(repeat cycle)
Additional notes:
This song (with slightly different lyrics) was recorded
by Nirvana on the
Insesticide album.
