Sick from the city  
It burns in my side  
Ships are leaving  
Shines so bright in the nighttime

Though my memory's fading  
It's you that I find  
If only you could stay and,  
Leave me behind

The tide that left and never came back  
Is on my mind tonight  
'Cause it's a small town  
It misses you my love

The tide that left and never came back  
Is on my mind tonight  
'Cause it's a small town  
It misses you my love

I fall into a hole  
Those sad stories you write  
Your voice is so pretty  
And it gets caught in the right rhyme

Though my memory's fading  
It's you I find  
If only you could stay and,  
Leave me behind

The tide that left and never came back  
Is on my mind tonight  
'Cause it's a small town  
It misses you my love

The tide that left and never came back  
Is on my mind tonight  
'Cause it's a small town  
It misses you my love

The tide that left and never came back  
Is on my mind tonight

'Cause it's a small town  
It misses you my love

It's a small town  
It misses you my love

It's a small death  
It's a broken town and,  
It misses you my love
