Well she said, baby,
Come on and take my hand
You know that lately
You've been my only man

And all that I wanted
Is for you to see
Come on now, my love
And take a walk with me

Through the deep, dark wood
Through the deep, dark
Through the deep, dark wood

Love, lay your hand upon my chest
So I can't go back
No, this love ain't like the rest
No, I can't go back
Now there's no more to love than this
No, I can't go back
Back
Back

Well she said, baby,
I feel you coming up
We've spent a lifetime
Getting our lover wrong
She said, there's no need
Come on, it won't take long
The dreams are strange but good

Through the deep, dark
Through the deep, dark wood

Love, lay your hand upon my chest
So I can't go back
No, this love ain't like the rest
No, I can't go back
Now there's no more to love than this
No, I can't go back
Back

Back

No, I can't go back
