

The Velours "Remember"

Visit "[Remember](#)" on MotoLyrics.com

Remember how we danced through the stars above
And we cannot renounce a true love
Do you remember

Remember how I held you in my arms
And told you of all your charms
Do you remember

[CHORUS]
To feel your hand in mine
Eww, it makes me feel divine
To hold you ever so tight my sweet
Would make my life complete

[VERSE]
Remember how vowed we would never part
Then from the start
Do you remember

[BRIDGE]

Hmmmm,

[Repeat CHORUS]

[Repeat VERSE]
