Scarred, emotion infiltrates my soul
Suffer, the hierarchy takes control
Insane, no matter where you run, you die
Breaking the chain

In your eyes I see a void
Pain, the depths of terror spent
Haste, your friend when no one cares
A wraith of evanescent hope

In your eyes I see a void
Pain, the depths of terror spent
Take this chance to fight or die
I can taste your fucking lies

Scarred, emotion infiltrates my soul
Suffer, the hierarchy takes control
Insane, no matter where you run, you die
Breaking the chain

Scream, bleed, dream, fail
Scream, bleed, scream

Free from torture, recite the pain
Did you like it? Are you proud?

It wasn't what you thought it was gonna be
It wasn't what you thought it was gonna be
It wasn't what you thought it was gonna be
It wasn't what you thought it was gonna be

Scream, bleed, dream, fail

Scarred, emotion infiltrates my soul
Suffer, the hierarchy takes control
Insane, no matter where you run, you die
Breaking the chain

Scarred, emotion infiltrates my soul
Suffer, the hierarchy takes control
Insane, no matter where you run, you die
Breaking the chain

Scream, bleed, dream, fail
Scream, bleed, dream, fail
Scream, bleed, dream, fail
