Tonight... could be the night
To hear her say... darling I do

And tonight... could be the ni-eye-eye-eye-ight
To give that ring... around your finger

Doo-wop, doo-wop-de-wop, doo-wop
Doo-wop, doo-wop-de-wop, doo-wop
Doo-wop, doo-wop-de-wop, doo-wop

Oh my darling... hold me tight
And tonight... just could be the night
Ba-ba-ba-ba-ba, yeah

Tonight... could be the night
To fall in love... with someone like you-oooh-oooh-oooh

Oh my darling... hold me tight
And tonight... just could be the night
Ba-ba-ba-ba-ba, yeah

And tonight... could be the ni-eye-eye-eye-ight
To give that ring... around your finger

Oh my darling... hold me tight
For tonight... is the night
