Lyrics

I don't want it
But I need it
I can't feel it
When I bleed it
When I see you
In the pink light
In my night light
Behind green light

Black clay, bloody lips
Pentagram your crucifix
Throne of nails, broken skin
Russian junkie heroine
Faceless static automatons
Reptile houses, plastic bombs
I am watching you die

Counting red lines
Ninety-nine times
Block out the screaming
Pink drug for dreaming
When I see you
In my headlights
Trapped in red lights
In your black light

Black clay, bloody lips
Pentagram your crucifix
Throne of nails, broken skin
Russian junkie heroine
Faceless static automatons
Reptile houses, plastic bombs
I am watching you die
With your fingers in my eyes

Black clay, bloody lips
Pentagram your crucifix
Throne of nails, broken skin
Russian junkie heroine
Faceless static automatons
Reptile houses, plastic bombs

I am watching you die
With your fingers in my eyes
