Here we are so what you gonna do?  
Do I gotta spell it out for you?  
I can see that you got other plans for tonight  
But I don't really care

Size me up you know I beat the best  
Tick tock no time to rest  
Let them say what they gonna say  
But tonight I just don't really care

Come on baby we ain't gonna live forever  
Let me show you all the things that we could do  
You know you wanna be together  
And I wanna spend the night with you  
Yeah, yeah with you, yeah, yeah  
Come with me tonight  
We could make the night last forever, oh oh

I've seen it all I've got nothing to prove  
Come on baby just make your move  
Follow me lets leave it all behind tonight  
Like we just don't care

Let me take you on the ride of your life  
That's what I said alright  
They can see what they wanna see  
Cause tonight I just don't even care

Come on baby we ain't gonna live forever  
Let me show you all the things that we could do  
You know you wanna be together  
And I wanna spend the night with you  
Yeah, yeah with you yeah, yeah  
Come with me tonight  
We could make the night last forever, oh oh

Lets pretend you're mine  
We could just pretend, we could just pretend, yeah  
yeah  
You've got what I like  
You've got what I like, I got what you like  
Oh come on

Just one taste and you'll want more  
So tell me what your waiting for...

Come on baby we ain't gonna live forever  
Let me show you all the things that we could do  
You know you wanna be together  
And I wanna spend the night with you  
Yeah, yeah, with you, yeah, yeah  
So come with me tonight(we can make tonight)  
We could make the night last forever  
Yeah, yeah, foreverrrr

Come on baby we ain't gonna live Forever  
Let me show you all the things that we could do  
You know you wanna be together  
And I wanna spend the night with you  
Yeah, yeah, yeah, yeah, ye-ah  
(So Come) with me tonight(we can)  
We could make the night last Forever  
Forever... (echoes)  
Oh oh!
