I was missing you  
You were miles away  
He was close to me  
I let him stay  
Then I closed my eyes  
He almost felt the same  
But when the morning broke  
I cried out your name

If I'd only known  
It would break us  
I'd have done anything just to save us

'Cause you're all I have  
When the world comes down on me  
You're the one I love  
And I'm begging you to see  
You're all, you're all, you're all I have  
You are, you are the one I love  
You are, you are, you're all I have

You've forgiven me  
But it doesn't change  
The guilt I feel when you mention his name  
No more innocence  
How to trust again  
Wanna believe that you won't do the same

And every time we fight  
We're gettin' closer  
I slowly die inside  
I'm scared it's over

'Cause you're all I have  
When the world comes down on me  
You're the one I love  
And I'm begging you to see  
You're all, you're all, you're all I have  
You are, you are the one I love  
You are, you are, you're all I have

Your love for me was always there

Maybe too much for me to care  
Now that I know I messed it up  
I'd give my all to take it back

'Cause you're all I have  
When the world comes down on me  
You're the one I love  
And I'm begging you to see  
You're all, you're all, you're all I have  
You are, you are the one I love  
You are, you are, you're all I have
