Oh no  
Don't go changin'  
That's what you told me from the start  
Thought you were somethin' different  
That's when it all just fell apart  
Like your so perfect  
And i can't measure up  
Well i'm not perfect  
Just all messed up

I was losing myself to somebody else  
But now i see  
And i don't wanna pretend  
So this is the end of you and me  
'cause the girl that you want  
She was tearin' us apart  
'cause she's everything  
Everything i'm not

It's not like i need somebody  
Telling me where i should go at night  
Don't worry you'll find somebody  
Someone to tell how to live their life  
'cause your so perfect  
And no one measures up  
Yeah all by yourself  
Your all messed up

I was losing myself to somebody else  
But now i see  
I don't wanna pretend  
So this is the end of you and me  
'cause the girl that u want  
She was tearin' us apart  
'cause she's everything  
Everything i'm not

Now wait a minute  
Because of you  
I never knew all of the things that i had  
Hey don't you get it  
I'm not going anywhere with you tonight

'cause this is my life

I was losing myself to somebody else

But now i see

(now i see yeah)

I don't wanna pretend

So this is the end of you and me

(end of you and me)

Cause the girl that you want

(that you want)

She was tearing us apart

Cause she's everything

Everything i'm not

But now i see

(i don't wanna)

I don't wanna pretend

So this is the end of you and me

Cause the girl that you want

She was tearing us apart

Cause she's everything

Everything i'm not
