Here we are so what you gonna do?
Do I gotta spell it out for you?
I can see that you got other plans for tonight
But I don't really care

Size me up you know I beat the best
Tick tock no time to rest
Let them say what their gonna say
But tonight I just don't really care

Come on baby we ain't gonna live 4ever
Let me show you all the things that we could do
You know you wanna be together
And I wanna spend the night with you
Yeah, yeah with you, yeah, yeah
Come with me tonight
We could make the night last 4ever

I've seen it all I've got nothing to prove
Come on baby just make your move
Follow me lets leave it all behind tonight
Like we just don't care

Let me take you on the ride of your life
That's what I said alright
They can say what they wanna say
Cause tonight I just don't even care

Come on baby we ain't gonna live 4ever
Let me show you all the things that we could do
You know you wanna be together
And I wanna spend the night with you
Yeah, yeah with you yeah, yeah
Come with me tonight
We could make the night last 4ever

Lets pretend you're mine
We could just pretend, we could just pretend, yeah
yeah
You got what I like
You got what I like, I got what you like
Oh come on

Just one taste and you'll want more

So tell me what your waiting for

Come on baby we ain't gonna live 4ever
Let me show you all the things that we could do
You know you wanna be together
And I wanna spend the night with you
Yeah, yeah, with you, yeah, yeah
So come with me tonight
We could make the night last 4ever

Come on baby we ain't gonna live 4ever
Let me show you all the things that we could do
You know you wanna be together
And I wanna spend the night with you
Yeah, yeah with you, yeah, yeah
Come with me tonight
We could make the night last 4ever
