Everyday I sit here waiting
Everyday just seems so long
And now I've had enough of all the hating
Do we even care, it's so unfair
Any day it'll all be over
Everyday there's nothing new
And I just try to find some hope
To try to hold onto
But it starts again
It'll never end

I'm heavily broken
And I don't know what to do
Can't you see that I'm choking
And I can't even move
When there's nothing left to say
What can you do
I'm heavily broken
And there's nothing I can do

Almost giving up on trying
Almost heading for a fall
And now my mind is screaming out
I've gotta keep on fighting
But then again
It doesn't end

I'm heavily broken
And I don't know what to do
Can't you see that I'm choking
And I can't even move
When there's nothing left to say
What can you do?
I'm heavily broken
And there's nothing I can do
Feels like I'm drowning
I'm screaming for air
(Screaming for air)
Louder I'm crying
And you don't even care

I'm heavily broken

And I don't know what to do
Can't you see that I'm choking
And I can't even move
(What can I do)
When there's nothing left to say
What can you do
I'm heavily broken
I'm heavily broken
And I don't know what to do
Can't you see that I'm choking
And I can't even move
When there's nothing left to say
What can you do
I'm heavily broken
There's nothing i can do [x3]
