"How Long"

Saturdays, will never be, the same
Its even hard mentioning your name
Lookin back I don't know what went wrong
But suddenly it's like I don't belong

[CHORUS:]

So how long must I wait?
And how long must I stay?
Please let me know how to live.
'cause i don't ever wanna feel this way
Again.

Nuthin seems to matter anymore
Why can't it be just like it was before?
I hate you for the person i've become
Take me back to where it all begun

[CHORUS:]

So how long must I wait?
And how long must I stay?
Please let me know how to live.
'cause i don't ever wanna feel this way
Again.

Let me know, how to live
Let me know

[CHORUS:]

So how long must I wait?
And how long must I stay?
Please let me know how to live.
'cause i don't ever wanna feel this way
Again.
