This is wrong  
I should be gone  
Yet here we lay  
'Cause I can't stay away

Roses bloom  
In your dirty room  
I come to play  
'Cause I can't stay away  
No I can't stay away-ay

I'm conflicted  
I inhale now I'm addicted  
To this place  
To you babe  
I can't stay away  
Can't stay away  
We get up, we go down  
Then we go one more round  
It's wrong, they say  
I can't stay a- I can't stay away  
No I can't stay a- I can't stay away

I was numb  
For you I come  
Night and day  
And I can't stay away  
No I can't stay away

I'm conflicted  
I inhale now I'm addicted  
To this place  
To you babe  
I can't stay away  
Can't stay away  
We get up, we go down  
Then we go one more round  
It's wrong, they say  
I can't stay a- I can't stay away  
No I can't stay a- I can't stay away

I wish I could

Leave and never return  
Baby, I know I should  
But for you I'd burn

Stay away  
'Cause I can't stay away-ay

I'm conflicted  
I inhale now I'm addicted  
To this place  
To you babe  
I can't stay away  
Can't stay away  
We get up, we go down  
Then we go one more round  
It's wrong, they say  
I can't stay a- I can't stay away  
No I can't stay a- I can't stay away

I can't stay away  
I can't stay away  
I can't stay away  
I can't stay away
