Once upon a time I might have cared 'bout  
The memories we shared  
All the times that I forgave you  
For everything you did  
It's really hard for me to look you in the eyes and tell  
you  
Don't want you, don't need you

Now I'm through with you

You never wanted to commit, I said that I could handle  
that  
But you're always with somebody else  
How was I to handle that? Now you say you want me  
back  
I bet your sorry a\*\* now  
I said, you said "I don't give a damn", either way  
You think you can(or "Think again", not sure)  
[something] 'cause I don't wanna see your face  
'Cause I don't need you anymore and now I'm walkin'  
out that door

Next time I saw him he was with that  
With that other girl  
I can't believe he'd even think of  
Goin' from me to her  
I walked right up to him and said "Is that the best you  
can do?"  
Like I care what you do

'Cause this is what I think of you

You never wanted to commit, I said that I could handle  
that  
But you're always with somebody else  
How was I to handle that? Now you say you want me  
back  
I bet your sorry a\*\* now  
I said, you said "I don't give a damn", either way  
You think you can(or "Think again", not sure)  
[something] 'cause I don't wanna see your face

'Cause I don't need you anymore and now I'm walkin'  
out that door

You're the reason why we didn't work  
You didn't seem to care how much I hurt  
Never ever gonna take you back again  
'Cause you know that I don't give a damn

I don't want you  
I don't need you  
I don't love you  
I don't want you any more (4x)

You never wanted to commit, I said that I could handle  
that  
But you're always with somebody else  
How was I to handle that? Now you say you want me  
back  
I bet your sorry a\*\* now  
I said, you said "I don't give a damn", either way  
You think you can(or "Think again", not sure)  
[something] 'cause I don't wanna see your face  
'Cause I don't need you anymore and now I'm walkin'  
out that door (3x)

I don't care  
I don't care  
I don't care
