[Whispers] Jess is asleep. Sleep Sleep Sleep

I can't sleep most of the time.
Try to cancel you from my mind.
Never liked you that much anyway.
Gotta try sleep through to saturday

Can't seem to keep my eyes shut.
Can't stop to think about what [what what]
You said, you said to me when.
I lost, I lost you again.

Can't make the beat go away.
Gotta get me outta this state.
Gotta feel the rush in my viens.

I'm lonely!
Gotta look for a party.
And dance with somebody tonight.
Coz I'm lonely!
I feel empty inside.
Can't you make me feel alive.

I-N-S-O-M-N-I-A Can't sleep
I-N-S-O-M-N-I-A Can't sleep

Don't look at me like that.
What? You think I'm some kinda maniac.
Who was asking your opinion anyway.
It's my life and you don't have a say.

Gotta get, get outta this place.
Can't stand to look at your face.
I'm gonna get lost in the underground.
I'll kill you if you follow me around.

Can't make the beat go away.
Gotta get me outta this state.
Gotta feel the rush in my viens.

I'm lonely!
Gotta look for a party.

And dance with somebody tonight.
Coz I'm lonely!
I feel empty inside.
Can't you make me feel alive.

I-N-S-O-M-N-I-A Can't sleep
I-N-S-O-M-N-I-A Can't sleep

Can't sleep
Can't sleep
Can't sleep

I-N-S-O-M-N-I-A Can't sleep
I-N-S-O-M-N-I-A Can't sleep
