I'm getting tired of you pushing me 'round
Dragging me down
Making a sound because you wanna
I guess that's why I like messing with you
Putting you through
A lesson or two, because I'm gonna
Before I go my own way
I just gotta say

Leave me alone
Get out of my face
I'm tired and low
Feeling so misplaced
Time for you to go
Guess I know I'm better off on my own, oh

Leave me alone

This isn't gonna work
Don't call me on the phone
Because I'm all out of words
I'll face the unknown
Thinking about all the ways that I've grown

Oh, Leave me alone

There was the time I thought you were the one
Having some fun
Getting it done
What an illusion
'Cause you were trying to take control of me
That couldn't be, I need to be free of this confusion

Don't give me a guilt trip, because I'm so over it

Leave me alone
Get out of my face
I'm tired and low
Feeling so misplaced
Time for you to go
Guess I know I'm better off on my own, oh

Leave me alone

This isn't gonna work
Don't call me on the phone
I'm all out of words
I'll face the unknown
Thinking about all the ways that I've grown

Oh, leave me alone

Don't turn around and don't look back
I see right through all your selfless acts

Oh

Leave me alone
Get out of my face
I'm tired and low
Feeling so misplaced
Time for you to go
Guess I know I'm better off on my own, oh

Leave me alone

This isn't gonna work
Don't call me on the phone
Because I'm all out of words
I'll face the unknown
Thinking about all the ways that I've grown

Oh, leave me alone

I'll feel better on my own

Leave me alone
