The lights are out and I barely know you  
We're going up and the place is slowing down  
I knew you'd come around  
You captivated me, something about you's got me  
I was lonely now you make me feel alive  
Will you be mine tonight

Take me on the floor  
I can't take it any more  
I want you I want you I want you to show me love  
Just take me on the floor  
I can give you more  
You kill me kill me kill me with your touch

My heart is racing as you're moving closer  
You take me higher with every breath I take  
Would it be wrong to stay

One look at you and I know what you're thinking  
Time's a bitch and my heart is sinking down

You turn me inside out

Take me on the floor  
I can't take it any more  
I want you I want you I want you to show me love  
Just take me on the floor  
I can give you more  
You kill me kill me you kill me with your touch

I wanna kiss a girl  
I Wanna kiss a girl  
I wanna kiss a boy  
I wanna...

I wanna kiss a girl  
I wanna kiss a girl  
I wanna kiss a kiss a kiss a

(Dadadadadada...)

Take me on the floor

I can't take it any more  
I want you I want you I want you to show me love  
Just take me on the floor  
I can give you more  
You kill me kill me kill me with your touch

Take me on the floor  
I can't take it anymore  
I want you I want you I want you to show me love  
Just take me on the floor  
I can give you more  
Ya kill me kill me kill me please don't stop
