I go ooh ooh, you go ah ah  
Lalalala-ahlalala  
I can't  
Lie, lie, lie, lie, lie, lie  
I wanna wanna wanna get get get what I want  
Don't stop  
Gimme gimme gimme what you got got  
'Cause I can't wait wait wait any more more more more  
Don't even talk about the consequence  
'Cause right now you're the only thing that's making  
any sense to me  
And I don't give a damn what they say, what they think  
think  
'Cause you're the only one who's on my mind  
I'll never ever let you leave me  
I'll try to stop time forever, never wanna hear you say  
goodbye (bye)

I feel so untouched  
And I want you so much  
That I just can't resist you  
It's not enough to say that I miss you  
I feel so untouched right now  
Need you so much somehow  
I can't forget you  
I've gone crazy from the moment I met you

Untouched-oh  
And I need you so much

See you, breathe you, I want to be you  
Alalala alalala  
You can take take t-take take take time time  
To live live the way you gotta gotta live your life  
Gimme gimme gimme all of you you  
Don't be scared  
I'll see you through the loneliness of wanting more a-  
more more  
Don't even think about what's right or wrong, or wrong  
or right  
'Cause in the end it's only you and me and no one else  
is gonna be around

To answer all the questions left behind  
And you and I are meant to be so even if the world falls  
down today  
You've still got me to hold you up up  
And I will never let you down (down)

I feel so untouched  
And I want you so much  
That I just can't resist you  
It's not enough to say that I miss you  
I feel so untouched right now  
Need you so much somehow  
I can't forget you  
I've gone crazy from the moment I met you

Untouched-oh, untouched  
Untouched-oh, untouched  
Alalalala alalalala  
Untouched-oh  
Alalalala alalalala

I feel so untouched  
And I want you so much  
That I just can't resist you  
It's not enough to say that I miss you  
I feel so untouched right now  
Need you so much somehow  
I can't forget you  
I've gone crazy from the moment I met you

I feel so untouched  
And I want you so much  
That I just can't resist you  
It's not enough to say that I miss you  
I feel so untouched right now  
Need you so much somehow  
I can't forget you  
I've gone crazy from the moment I met you
