Don't know what we're fighting for  
Who'd have known we'd fall  
A second's too late  
Crashed down far below the ground  
Did you hear the sound  
Of a smile that is fading?  
When will it go?  
When will it stop?  
There's a whirlwind in my head  
A part of me  
Still lives for you  
So don't ever forget

#### CHORUS:

'Cause I belong  
I believe  
We are one  
You and me  
But we keep on falling  
Into silence  
Out of love  
Out of time  
What will it take  
'Til you realize?  
'Cause you know it's killing me  
To be left unseen

Hey you  
What's running through your head?  
Is Cupid lying dead  
While I'm sitting here waiting?  
And all the stupid little things  
That belong to you and me  
Will you really throw them all away?

#### REPEAT CHORUS

I'm the one that's been tryin'  
You left it all up to me  
And I won't waste another day  
'Til you believe  
That maybe I've been mistaken

And didn't you ever need  
Is the truth behind the words you said to me

But we keep on falling  
Into silence...

Out of love  
Out of time  
What will it take  
'Til you realize?  
'Cause you know it's killing me  
To be left unseen
