It's 3am, I start to cry
I'm alone again
I try so hard not to fall in love
But here I am
And you couldn't even pretend
Like you cared if this was the end

Chorus

All the things you said to me wont even matter
Do what you want cause I'm not gonna see you baby
What's going on
We don't care, we don't fight
We don't even know what wrong or right
(Now Baby) what's going on
What's going onâ€¦!

There nothing else I can say
What can I do
We might have worked out someday
But it takes two
And you couldn't even pretend
Like you cared if this was the end

Chorus

All the things you said to me wont even matter
Do what you want cause I'm not gonna see you baby
What's going on
We don't care, we don't fight
We don't even know what wrong or right
(Now Baby) what's going on
What's going onâ€¦!

What's going on...All the things you said to me wont
even matter..

And I couldn't even pretend
That I cared if this was the endâ€¦!

Chorus

All the things you said to me wont even matter
Do what you want cause I'm not gonna see you baby
What's going on

We don't care, we don't fight
We don't even know what wrong or right
(Now Baby) what's going on
What's going on

Chorus

All the things you said to me wont even matter
Do what you want cause I'm not gonna see you baby
What's going on
We don't care, we don't fight
We don't even know what wrong or right
(Now Baby) what's going on
What's going on

But here I am
