

## The Veronicas "Without Love"

Did I say something wrong?  
Why are you mad at me?  
Is there something you don't like about me?  
Maybe it's the way I think.

You go behind my back  
Telling all my friends that you hate the way I look  
You really can't stand me  
You try to bring me down  
When I'm reaching out my hand  
Do you really think that it's worth it in the end?

Without love (x4)  
We're never gonna make it.  
No, we're never gonna make it.  
No no-oh-oh-oh

If I met you face to face  
Maybe we could talk it out  
If you put yourself in my place  
Would you like it if I put you down?

Show me who you are  
You don't even know me  
When I turn my back  
You always talk about me  
Pretending you don't hear me  
When I set astray (?)  
You make it more that clear I'm the one you love to  
hate.

Without love (x4)  
We're never gonna make it  
No, we're never gonna make it.  
No no-oh-oh-oh

(Ooh)

How do you sleep at night?

(Ooh)

When you know it isn't right?

(Ooh)

Be careful what you say  
Gotta think before it's too late.

Without love (x4)  
We're never gonna make it.  
No, we're never gonna make it.  
No no-oh-oh-oh

Woah (x4)
