

The Verve

"All Night Long"

Visit "[All Night Long](#)" on MotoLyrics.com

This is awakening
Waiting for the night to come
Wishing you was with me
Yeah, I can feel the morning sun
Grant me a promise
Love come along, yeah

Oh, all night long
Hmmm, all night long
Away from time and space
If only it could last
Tomorrow you'll be fine
We are only passing time
Billion grains left in the sand
And let the fruit be full
Let the apples grow to red
Hmm, red
For I know where I stand
I'm standing here with you

Oh, all night long
Hmm, all night long
I ain't got a single thing
That I would rather do, yeah
And I ain't got a single thing
That I would rather do, yeah

Light it up, let it sing
What she knows, and let it sing
Some things stay
Some things return
Yeah, no tomorrow
Some days return
Breaking my heart
A-ha, stealing my soul

Breaking my heart
A-ha, and stealing my soul
Breaking my heart
Stealing my soul

And if God can't give me grace
God can forgive me
Oh, Lord
Oh Jesus forgive me
Lord I didn't know
Would I burn?
Lord I know you're waiting
Waiting for me, will I come?
You're walking in the race
Will I know you shouldn't die?
