As though you were born  
And so you thought  
The future's ours  
To keep and hold  
A child within  
Has healing ways  
It sees me through  
My darkest days

I'm gonna keep catching that butterfly  
In that dream of mine  
I'm gonna keep catching that butterfly  
In that dream of mine

In my lucid dreams  
In my lucid dreams

Somethin' now through life no fun  
I wanna feel, I wanna run  
I'm gonna keep catching that butterfly  
In that dream of mine  
I'm gonna keep catching that butterfly  
In that dream of mine

In my lucid dreams  
In my lucid dreams

I'm gonna keep catching that butterfly  
In that dream of mine  
Keep catching that butterfly  
In that dream of mine  
I'm gonna keep catching that butterfly  
In that dream of mine

My, in my darkest dreams  
My, in my darkest dreams  
My, in my darkest dreams  
My, in my darkest dreams  
My lucid dreams  
My forgotten schemes  
My lucid dreams  
My forgotten schemes

My lucid dreams  
My forgotten schemes

I see through you  
You see through me  
I see through you  
You see through me  
I see through you  
You see through me  
I see through you  
You see through me  
Be with me, be with me  
Be with me, be with me  
I see through you  
You see through me  
I see through you  
You see through me  
I see through you  
You see through me  
I see through you  
You see through me  
To be in your eyes  
To be in your eyes  
To be in your eyes
