The show is over, close the storybook  
There will be no encore  
And all the random hands that I have shook  
Will be reaching for the door

I watch their backs as they leave single file  
But you stood stubborn, cheering all the while

### CHORUS

I know I can be colorful,  
I know I can be grey,  
And I know this loser's living fortunate  
Cause I know you will love me either way.

Most were being good for goodness sake  
But you wouldn't pantomime.  
You are more beautiful when you awake  
Than most are in a lifetime

Through the haze that is my memory  
When you stayed for drama though you paid for a  
comedy

### CHORUS

Hold your head as far as you can see  
We're living drama but we'll die in a comedy

### CHORUS (x2)

And I know you will love me  
Yes I know you will love me  
Yes I know you will love me either way..
