Life's an ocean and too much commotion  
And too much emotion dragging me down

Living for today, don't have time to pray  
Ready for the game, take a line of fickle flame  
Imagine the future, woke up with a scream  
I was buying some feelings from a vending machine

Say that I will see, something more than I have  
There's something inside of me, crying out for  
something else  
And if someone hears this scream, put it in a letter to  
me

Slippery slidey road, down  
Slippery slidey road, down  
Slippery slidey road, down  
Slippery slidey road, down

Life's an ocean and too much commotion  
Not enough emotion to satisfy me

Slippery slidey road, down  
It's slippery slidey road down  
Hold my hand and we'll walk down  
Dry those eyes and we'll walk down

Slippery slidey road, down  
Slippery slidey road, down

Life's an ocean, life's an ocean  
Too much commotion and too much emotion  
Too much emotion, too much emotion  
Too much emotion, too much emotion  
Too much emotion, too much emotion
