Will those feet in modern times
Walk on soles that are made in China?
Through the bright prosaic malls
And the corridors that go on and on and on

Are we blind, can we see?
We are one, incomplete
Are we blind, in the city?
Waiting for lightning to be saved, yeah

'Cause love is noise, love is pain
Love is these blues that I'm singing again
Love is noise, love is pain
Love is these blues that I'm singing again

Will those feet in modern times
Understand this world's affliction?
Recognize the righteous anger
Understand this world's addiction

I was blind, couldn't see
What was here in me
I was blind, insecure
Felt like the road was way too long, yeah

'Cause love is noise, love is pain
Love is these blues that I'm singing again
Love is noise, love is pain
Love is these blues that I'm singing again

Love is noise, love is pain
Love is these blues that I'm feeling again
Love is noise, love is pain
Love is these blues that I'm singing again

'Cause love is noise, love is pain
Love is these blues that you're feeling again
Love is noise, love is pain
Love is these blues that I'm singing again

Love is noise, love is pain
Love is these blues that I'm singing again

Love is noise, love is pain
Love is these blues that I'm singing again

Will those feet in modern times
Walk on soles made in China?
Will those feet in modern times
See the bright prosaic mall?

Will those feet in modern times
Recognize the heavy burden?
Will those feet in modern times
Pardon me for my sins?

'Cause love is noise, love is pain
Love is these blues that I'm feeling again
Love is noise, love is pain
Love is these blues that I'm singing again
