"Rather Be"

There's no need for introductions
No dark corridors or things
You won't find your fortune
You might find some pain

I wanna lie, lie together
Feels like our last embrace
In a world full of confusion
Yeah, the human race

But I'd rather be here than be anywhere
Is there anywhere better than here?
You know these feelings I've found they are oh so rare
Is there anywhere better than here?

Sometimes life seems to tear us apart
I don't wanna let you go
Sometimes these feeling's hidden
I start to cry 'cause I won't ever let you go

We're multiplying
Always living under some cloud
Always on the eve of destruction
Make you wanna scream out loud

And as I watch the birds soar
My lies in which you spun
Oh mama, mama why I'm still crying?
Oh, another day is come

'Cause I'd rather be here than be anywhere
Is there anywhere better than here?
You know these feelings I've found they are oh so rare
Is there anywhere better than here?

Sometimes life seems to tear us apart
Don't wanna let you go
Sometimes these feeling's hidden
I start to cry 'cause I won't ever let you go

But I'd rather be here than be anywhere
Is there anywhere better than here?

You know these feelings I've found they are oh so rare
Is there anywhere better than here?

But I'd rather be here than be anywhere
Is there anywhere better than here?
You know these feelings I've found they are oh so rare
Is there anywhere better than here?

Sometimes this feeling gives me
Sometimes this feeling gives me
These feelings are oh so rare
