Yes  
I was thinking 'bout  
The time when I was dead  
I was passive, bored,  
You know  
I lived my life  
In a shell  
Now  
I'm shooting off again,  
And it feels good  
Just thinking about  
The good times  
Cause my love,  
I know you're just  
A staring stranger  
You fill up my holes  
You make me feel safe  
I know you're just  
A staring stranger  
You fill up my holes  
You make me feel

I know time  
Was getting late,  
But not in my mind  
Never asked you,  
Just jump up  
And let my life die,  
When I was thinking  
About the love  
That I have made,  
The love  
That I have lost  
Many days  
And days and days  
Oh well  
I know you're just  
A staring stranger  
You fill up my holes  
You make me feel safe  
I know you're just  
A staring stranger

You fill up my holes  
You make me feel

Cause my love,  
I know you're just  
A staring stranger  
You fill up my holes  
You make me feel safe  
I know you're just  
A staring stranger  
You fill up my holes  
You make me feel safe  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah yeah
