I'm the only man who ever really thought that I had  
qualified  
From the corners of your mind you would care for  
another guy  
Now I'm lookin' at you straight in the eye  
I know it feels good and I know you should try me

But every chance you get you just hesitate  
Is there something in my love that you really hate  
Open me up I feel real glad, you can take all I have  
Maybe, maybe don't you think it's time yeah tonight?

This could be my moment, somethin' more than  
weather  
Don't you wanna try it?  
(Maybe, maybe)  
This could be my moment, somethin' more than  
weather  
Don't you wanna try it?

I'll open up my mind I swear I'd let you in  
There's nothin' that you couldn't beg steal or have  
I'm lookin' at you straight in the eye  
I know it feels good and I know ya'll high  
Maybe, maybe don't you think it's time yeah tonight?

This could be my moment, somethin' more than  
weather  
Don't you wanna try it?  
(Maybe, maybe)  
This could be my moment somethin' more than  
weather  
Don't you wanna try it?

There's only one  
There's only one  
There's one life one chance  
Come on lets hit the floor

This could be my moment, somethin' more than  
weather  
(Come on now!)

Don't you wanna try it?  
Somethin' more than everyday, a chance to walk and  
break away  
Don't you wanna try it?

Come on and wipe those tears away from your eyes  
(This could be my last chance)  
There'll be no better night  
Gotta go sacrifice  
(This could be my my last chance)

This could be my, my last chance  
Oh, better, better, better  
There'll be no better time, yeah!  
And there'll be no better day, yeah!
