Feels like a lifetime, waiting on my time  
Wonder, will I ever see the things I heard You have for  
me?

Driving down a winding road decided to let go  
Falling deep apparently but You decide to catch me

Feels like a lifetime, waiting on my time  
Wonder, will I ever see the things I heard You have for  
me?

Driving down a winding road decided to let go  
Falling deep apparently but You decide to catch me

Now there goes the sun  
Triumph over rain clouds that cover me  
I?m not the only one  
Your love?s for everyone but still it covers me

So many people, look at all the people  
Crying, dying, in need, Lord, it?s You that they seek  
You supply their every need and I think that?s amazing  
You take care of all of them and still come to see about  
me

Now there goes the sun  
Triumph over rain clouds that cover me  
I?m not the only one  
Your love?s for everyone but still it covers me

It's gonna take a while for me to figure out  
How you could love a wretch like me  
It really blows my mind ?cause it?s not only for me  
But it?s for everybody

Now there goes the sun  
Triumph over rain clouds that cover me  
I?m not the only one  
Your love?s for everyone but still it covers me

Now there goes the sun  
Triumph over rain clouds that cover me  
I?m not the only one  
Your love?s for everyone but still it covers me
