Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord

Somebody asked me how I was doing
Then joy filled my soul ?cause I couldn't help
remembering
All the times He brought me out, could've been dead
without a doubt
That's why I sing this song, if you feel me, come on
and sing along

Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord

Your life may not be what you want it to be
But I guarantee, there's time to change as long as
you're still breathing
No need to wear a frown, walking around with your
head hung down
So while you have a chance
Won't you come on and dance with me? Come on

Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord

Now, now, now I don't want to see nobody sitting down
Matter of fact, just get your hands up right now
It's M O S and Baby Dubb, we're back around
Buy the CD and ya hear us, get down

Now that's out the way, let me say, I must say
Come from the streets of L.A., they call it, 'round the
way
History say, you're not supposed to be here today
But thank God, He ain't see it that way

'Cause some people got shot and some people got robbed
And some of them smoked rock, some of them lose jobs
'Cause some of them like me, some of them got God
And you know, if you got He, life ain't really that hard

Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord

Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord

Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord

Everybody, clap your hands, everybody, jump for joy
Everybody, make some noise if you love the Lord
Everybody, clap your hands, everybody, jump for joy
If you love the Lord
