

Men Of Standard "Last Time"

Visit "[Last Time](#)" on MotoLyrics.com

So I get a call the other day
Just about to take off on a flight to L.A.
Something in my spirit didn't want to hear it
Can't be that urgent, it's gotta wait

They were trying to say
That someone very close to me had just passed away
You'll never have another chance
I said all that to say, don't wait another day

When was the last time you took a minute to show Him?
When was the last time, you realized You owe Him?
Your life is not your own, You didn't get here alone
Let me put something on your mind, tomorrow's not
yours or mine
Don't wait, don't let this be the last time

You say you're always running late
You need a little more time in your morning, just to
pray
I'll do it when I get home
When you get home, get on the phone
And the next thing, your show is on

There's no excuse that you can make
To outweigh the sacrifice of life that He gave
You only have one life to live
And I'm sayin' all that to say, don't wait another day

When was the last time you took a minute to show Him?
When was the last time you realized You owe Him?
Your life is not your own, you didn't get here alone
Let me put something on your mind, tomorrow's not
yours or mine
Don't wait, don't let this be the last time

No better time than now
You may never get another chance to get it right
So why would you hesitate?
Would you be able to go if He came back today?

Just imagine if He never gave His life for you

Ooh, what would you do?

When was the last time you took a minute to show Him?
When was the last time you realized You owe Him?
Your life is not your own, you didn't get here alone
Let me put something on your mind, tomorrow's not
yours or mine
Don't wait, don't let this be the last time

When was the last time? I wanna know
When was the last time? I wanna know
When was the last time? I wanna know
When was the last time, the last time?

When was the last time? I wanna know
When was the last time? I wanna know
When was the last time? I wanna know
When was the last time, the last time?
