Yours

Verse 1:

Here I am again,
knocking at Your door,
I know that I have sinned,
but please let me in.

You're used to my mouth talking,
but listen to my heart,
surely You can see,
I really wanna be free.

I'm chasing after You.
I'm such a desperate man.
and if you let me catch You,
I'll be...

Chorus 1:

Yours, Yours, I'm Yours.
Yours, Yours, I'm Yours.
Lord, I'm Yours, (Okay).

Verse 2:

I know I said this once before,
You know sometimes I change,
but You remain the same.
Used to sing a song
because there was a song to sing,
but now I sing to You,
my God, my King,(ooohhooo,oooohooo) I'll forever
be...

Chorus 2:

Yours, Yours, I'm Yours.
Yours, Yours, I'm Yours.
Lord, I'm Yours. Yours, I'm Yours.

Bridge:

No one else can take Your place,
I've been in love before,
but no one's ever made me feel this way.

No longer on my own,
I'm never alone,
'cause You're with me Lord.

Vamp:
Lord, I'm Yours, Yours, Yours.
