Bang that tambourine on the bedroom floor  
That up with all his games and his narrow, narrow  
scores  
Walking on my own on my broken front door alone  
And every colour of a man walks by  
And I've seen the girls I made them laugh and made  
them cry  
They all crash here 'cause it's easy on the eye, you  
know

(Chorus)

Because I love you but I have to leave  
This whole town well it suffocates me  
I'm an arrow, but there's no bow  
Living without you on Anfield Row

(Verse)

Well I'll see you again time will always tell  
But for now I'm afraid that is has to be farewell  
You be walking into heaven and walking into hell I know  
I have known

(Chorus)

Because I love you but I have to leave  
This whole town well it suffocates me  
I'm an arrow, but there's no bow  
Living without you on Anfield Row

(Bridge)

My breath so used to corner  
I can't look at you no longer  
I must get on with the show  
And that's the only reason, that I have to go

(Chorus x3)

Because I love you but I have to leave  
This whole town well it suffocates me  
I'm an arrow, but there's no bow  
Living without you on Anfield Row
