Bye, bye, bye bye, bible,  
Bye, bye, bye bye, faith.  
Bye, bye, bye bye, bible  
Bye, bye, bye bye, faith.

Oh I'm gonna have a piggin mornin'  
I'm gonna have a piggin day,  
I'm gonna have a piggin mornin'  
I'm gonna have a piggin day.

The girl that I've been speakin' to my whole life,  
Has left me for my friend,  
The girl that I've been speakin' to my whole life,  
Has left me for my friend.

Bye, bye, bye bye, bible,  
Bye, bye, bye bye, faith.  
Bye, bye, bye bye, bible  
Bye, bye, bye bye, faith.

'Cause I'm gonna have a piggin mornin'  
I'm gonna have a piggin day,  
I'm gonna have a piggin mornin'  
I'm gonna have a piggin day.

The girl that I've been speakin' to my whole life,  
Has left me for my friend,  
The girl that I've been speakin' to my whole life,  
Has left me for my friend

The girl that I've been speakin' to my whole life,  
Has left me for my friend,  
The girl that I've been speakin' to my whole life,  
Has left me for my friend

And I can change,  
But I can't change yesterday,  
And I'd rather change,  
But things wont be the same.

And I can change,

But I can't change yesterday,  
You'll do the same,  
But I can't change your way

And I can change,  
But I can't change yesterday  
Oh we can change,  
But I can't

The girl that I've been speakin' to my whole life, (bye  
bye bye bible)  
Has left me for my friend, (bye bye bye bye faith)  
The girl that I've been speakin' to my whole life, (bye  
bye bye bible)  
Has left me for my friend (bye bye bye bye faith)

The girl that I've been speakin' to my whole life, (bye  
bye bye bible)  
Has left me for my friend, (bye bye bye bye faith)  
The girl that I've been speakin' to my whole life, (bye  
bye bye bible)  
Has left me for my friend (bye bye bye bye faith)

The girl that I've been speakin' to my whole life, (bye  
bye bye bible)  
Has left me for my friend, (bye bye bye bye faith)  
The girl that I've been speakin' to my whole life, (bye  
bye bye bible)  
Has left me for my friend (bye bye bye bye faith)  
Bye Bye Bye Bye.
