Chorus:

How long has it been since you've fell in love with a boy
like me?

How long has it been since you've fell in love with a boy
like me?

When you drop 6 bottles of your best perfume, I'll turn
them into 12

Standing on the shoulders that are slating you I slay
them all myself

Your last order of your cheap old wine has never
helped your case,

I'll come running with a crate of champagne to brighten
up your face

So don't call me crazy, cause it's all for you lady!

Chorus:

How long has it been since you've fell in love with a boy
like me?

How long has it been since you've fell in love with a boy
like me?

Well you're the third note in my triad girl

Without you I see a little world

I'll come running when the wind won't make a chime.

Cause if I take your words in the song I sing,

Like the rock the paper, the scissors that sort of thing

The question is waiting in the pretty scene, how long
has it been?

So don't call me crazy, cause it's all for you lady!

Chorus:

How long has it been since you've fell in love with a boy
like me?

How long has it been since you've fell in love with a boy
like me?

I'll come running, come running, when the wind don't
make a chime

Come running, I'll come running, when the wind don't

make a chime
Don't make a chime for me and you

Chorus: (x4)
How long has it been since you've fell in love with a boy
like me?
How long has it been since you've fell in love with a boy
like me?
