### "Realisation"

Man with a crown, the one that always frowns,  
I'd rather have a hat, than a broken back.  
Show you a man with a lot on his mind,  
I'll show you a self confessed trendsetter oh, because  
the man said no.

Live like a king for a day, skint for the rest of the week.  
Say your nothing special, say your lying through your  
teeth.  
It's just our way, why should we throw away a sunny  
day?  
We should not!  
It's just our way, why should we throw away a sunny  
day?

It's the realization your not ten feet tall, the realization  
you don't know it all.  
World domination makes you feel so small,  
Realization of it all.

Stealing, coppers off your mantelpiece.  
Stumbling through life without one good deed, and  
you're not living for tomorrow, dealing with some  
sorrow.  
Competing with the neighbours, waiting for that six  
number saviour oh.

Buy some brew with some ill gained currency what a  
nice way to spend every day never had beamer, never  
been a dreamer.  
Your barks worse than, worse than your bite, why  
should we throw away a sunny day?  
The night has overcome your apocalyptic way.

It's the realization your not ten feet tall, the realization  
you don't know it all.  
World domination makes you feel so small,  
Realization of it all.

Realization your not ten feet tall, realization you don't

know it all  
World domination makes you feel so small,  
Realization of it all.

Take for granted Eagers omen,  
Stories lost its moment.

Take for granted Eagers omen,  
Stories lost its moment.

Take for granted Eagers omen,  
Dryburgh Stories lost its moment.
