One way, kick in the flood gates
I want the hair raisin'
I got so much rhythm now

Right now, follow the wake down
Another crate town
And they got so much in it now.

How come, everyone stay calm
Covered in napalm
Cut you into confetti now.

I guess I'm on the wait list
Home of the tasteless
Givin' up too much credit now

Why give it all to something easy,
Just give it up, just let it go

Hey now I'm on the shakedown
'Nother big break down
Everyone's so damn easy now

Hipsters, brothers and sisters
Buddhas and Krishnas
Everyone's so damn in it now

Atkins, morbidly fat kids
People in black, sick
Everyone sucked into it now

My turn, give em a rug burn
Leave em enraptured
And I got so much rhythm now

Why give it all to something easy,
Just give it up, just let it go

Hey now I'm on the breakdown
Nothing to say now
And I got so much rhythm

Wake up, I'm on the make up
Tryin' to stay up
And I got so much in it now

One way kick in the flood gates
I want the hair raisin'
I got so much rhythm now

Why give it all to something easy,
Just give it up, just let it go
